TRAVELTIDE

Customer Segmentation

BY: Essam Al Asaad

AGENDA

- Introduction
- Customer Segmentation
- Recommendations
- Summary

INTRODUCTION

- TravelTide, founded in April 2021, has grown rapidly in the e-booking space with a strong tech-driven inventory but faces challenges in customer retention.
- The company aims to use customer insights to build a personalized marketing strategy and loyalty rewards program.
- The objective:
 1. Provide data-driven insights to identify key customer segments
 2. Tailor relevant perks to improve retention and engagement.

CUSTOMER SEGMENTATION

FAMILY TRAVELERS

Characteristics:

- Average age is 43
- 44% of our customers are married and 33% are with children
- They generate one of the highest numbers for both trip and hotel bookings in addition to checked in luggage
- They usually plan trips ahead of time and seek offers and bundles

Suggested Perks:

- Free Hotel Meal
- No Cancellation Fee
- Free Hotel Night

CUSTOMER SEGMENTATION

YOUNG ADULT FREQUENT TRAVELERS

Characteristics:

- Average age is 44
- They generate the highest number of bookings for trips, hotels and checked in luggage
- They're one of the highest spending groups per person on hotels and flights
- They usually plan their trips ahead of time and seek deals

Suggested Perks:

- Free Hotel Night
- Priority Boarding
- Free Checked Bag

CUSTOMER SEGMENTATION

YOUNG FREQUENT TRAVELERS

Characteristics:

- Average age is 26
- They're one of the highest spending groups per person on hotels and flights
- They actively seek deals probably due to budget constraints
- Opportunity to grow this group and boost bookings.

Suggested Perks:

- Free Checked Bag
- Complimentary Hotel Meal
- Milestone-Based Rewards

CUSTOMER SEGMENTATION

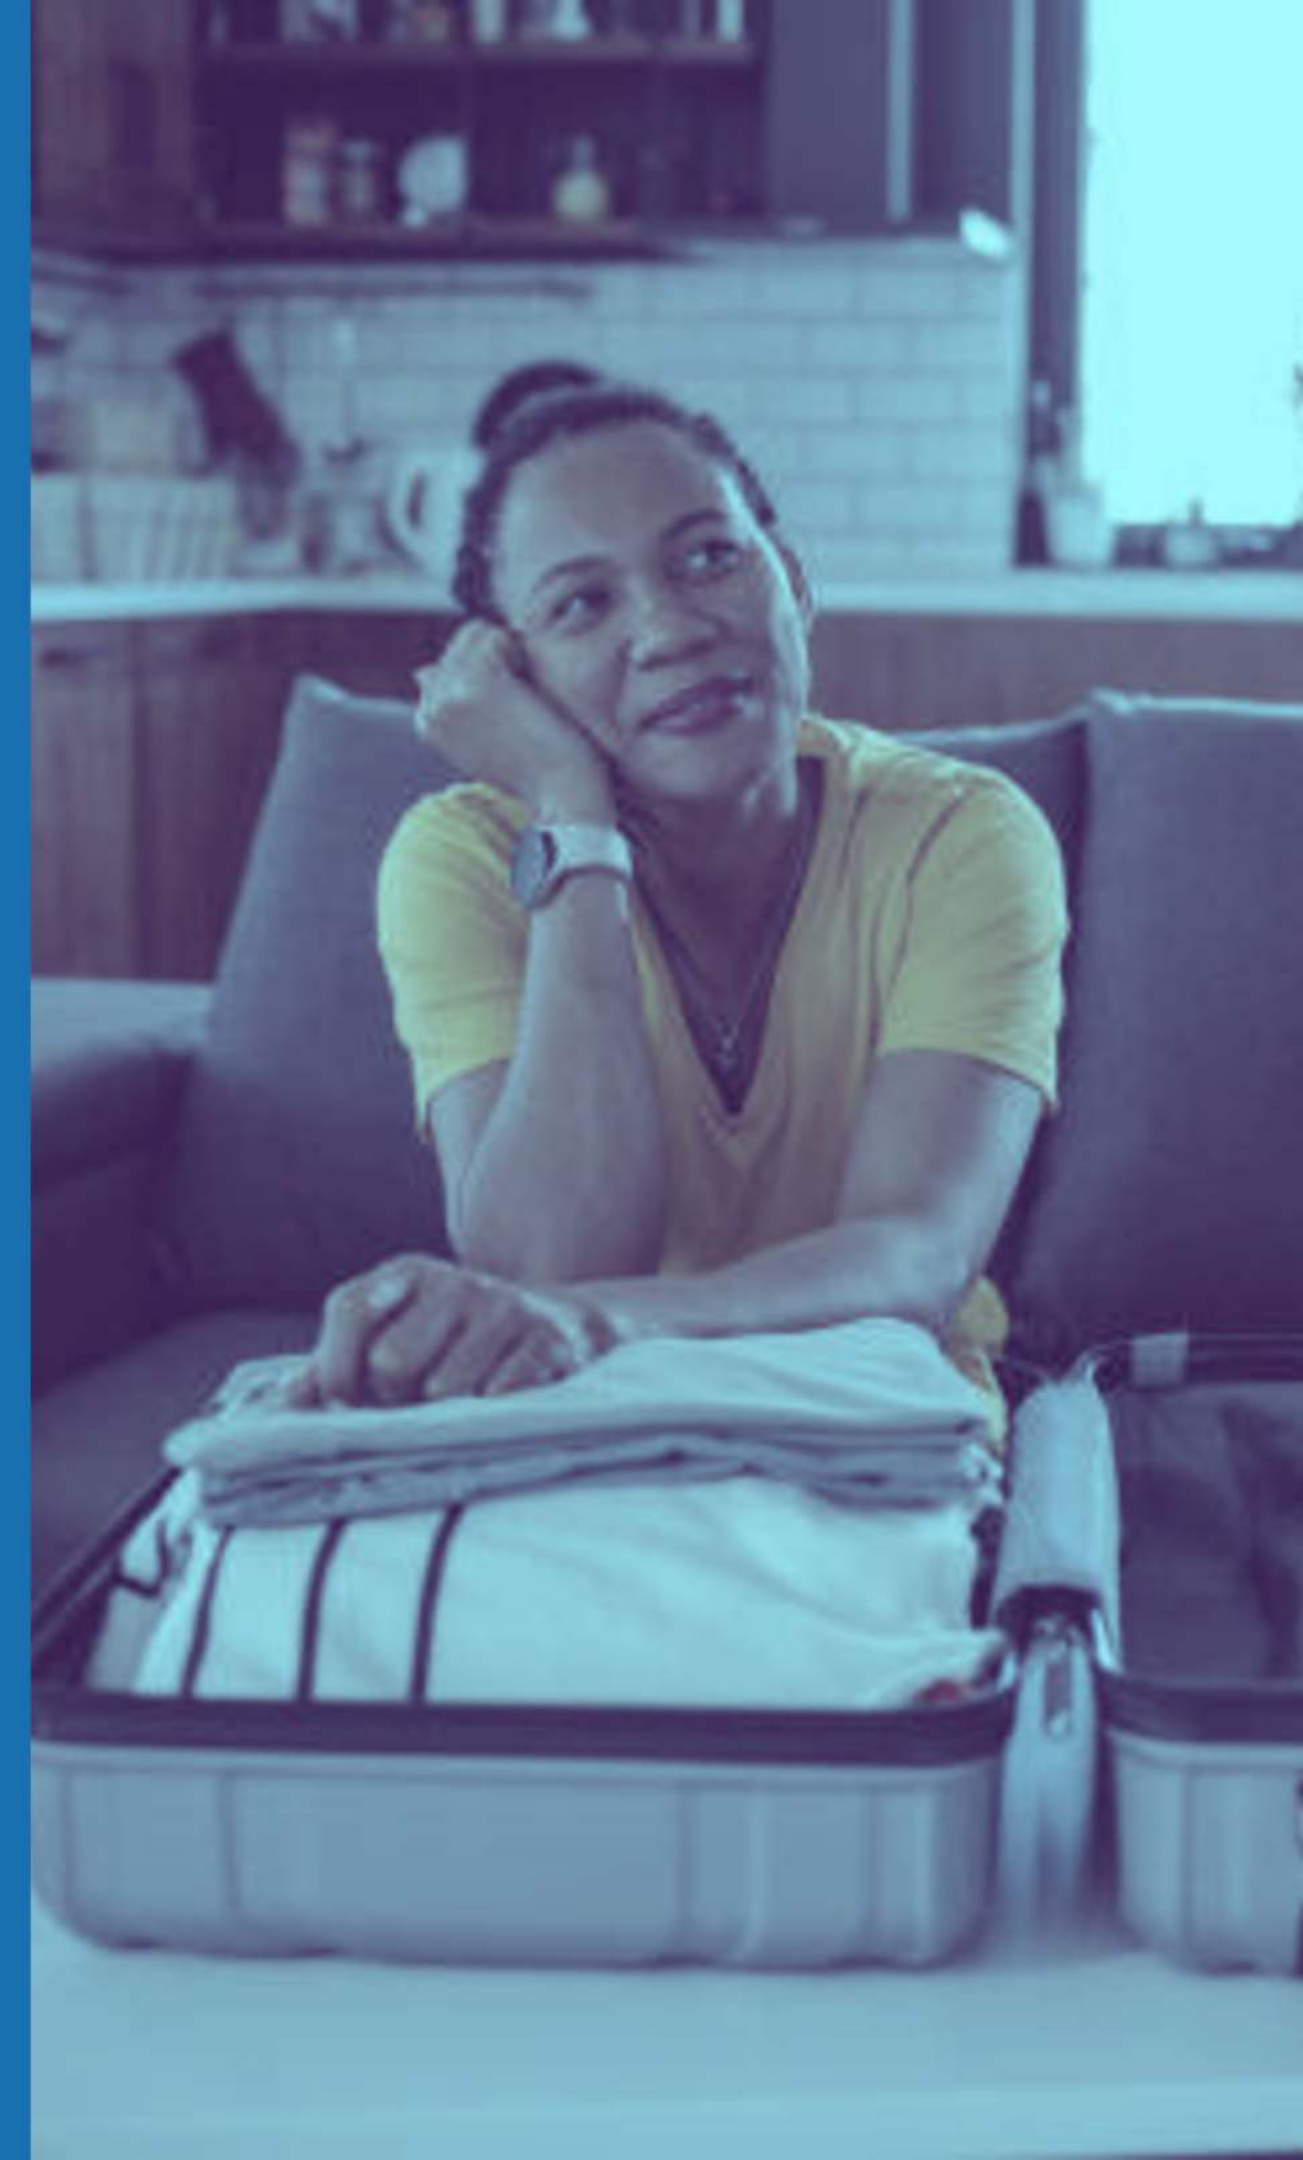

DREAMERS

Characteristics:

- Average age is 36
- Among the top 3 groups for flights, hotel bookings, and checked luggage
- Their bookings usually happen in a shorter time frame
- They usually seek deals and offers
- Lowest spenders—opportunity to boost per-person spend

Suggested Perks:

- Free Checked Bag
- Free Hotel Meal
- Occasional Upgrades

CUSTOMER SEGMENTATION

BUSINESS TRAVELERS

Characteristics:

- Average age is 44
- Highest spenders per person on hotels and flights
- Their bookings usually happen in a shorter time frame
- They seek flexibility and comfort
- Their browsing is focused, mainly to finalize bookings.

Suggested Perks:

- Airport Lounge Access
- Priority Boarding
- Airport/Hotel Pick-Up Service

CUSTOMER SEGMENTATION

SENIOR TRAVELERS

Characteristics:

- Average age is 70
- They're the fourth biggest group (5%)
- They do their bookings way ahead of time
- They're not tech-savvy, so targeted direct communication can be more effective.
- Whether they're pensioners or medical travelers, comfort is key.

Suggested Perks:

- Free Hotel Meal
- No Cancellation Fee
- Airport/Hotel Pick-Up Service

CUSTOMER SEGMENTATION

GENERAL TRAVELERS (OTHERS)

Characteristics:

- Average age is 44
- They represent 1% of all our customers
- They generate 1% of flights, hotel bookings, and checked in luggage
- They're the second in booking lead time

Suggested Perks:

- Free Checked Bag
- No Cancellation Fee
- Free Hotel Meal

RECOMMENDATIONS

- Family Deals: Bundle offers for families and married users.
- Loyalty Rewards: Incentivize frequent bookings, especially young adults and business travelers.
- Value Offers: Provide discounts and flexible options for key segments.
- Business Perks: Add perks like early check-in for business travelers.
- Optimize: Track engagement and refine perks as needed.

THANK YOU
